

PREMIUM  
316 GRADE STAINLESS STEEL  
**HIDDEN HEAD**  
**EXTERIOR SCREW**

Designed for use in decking and other exterior applications with the hardness of Stainless Steel to protect against corrosion. // Colour: Black

**10g x 75mm**

Qty: 300 Screws per box

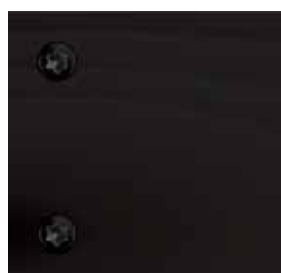

T20 Screwdriver Bit included

## PRODUCT FEATURES

### Hidden Head

The head is painted to match dark stained exterior timber in order to reduce visibility.

With nibs under the head for countersinking.

### T20 Star Drive Hd

Provides a unique, aesthetically pleasing look to dark stained exterior timber.

### Type 17 Point

Helps the screw penetrate quickly into the exterior timber.
